

Policy: Service Animals on Campus
Responsible for Policy: Student Affairs

Policy Number: F-3
Most recent CE Approval Date: ^ % 02/19P

Policy Statement

Animals are not allowed in campus facilities except service animals for independence and animals for use in classroom instruction.

Reason for Policy

This policy has been designed to ensure a safe environment in Finger Lakes Community College facilities.

Applicability of the Policy

All members of the campus community should be familiar with this policy.

Definitions

Service Animals are defined by the Americans with Disabilities Act (ADA) as dogs* that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pul
